INTRODUCTORY - INFORMATION

Standard Airlines is a newly established air carrier about to commence operation with Ibadan (IBA), Nigeria, as its operational base.

The concepts of the founding of Standard Airlines Limited are both physical and spiritual.

PHYSICAL CONCEPT:

The physical concept of the founding of Standard Airlines Limited is to 'open-up' the whole of African continent to the entire universe which is presently under-served by air carriers, resulting into inadequate, unreliable, erratic and irregular flights for the teeming population of Africans, while the few that are available are exhorbitant, which made the Africans to be non-enthusiastic of flights patronage.

SPIRITUAL CONCEPT:

The spiritual concept of the founding of Standard Airlines Limited is to magnify GOD with HIS greatness, hence, all our flights will have the insignia "THE FINGER OF GOD" crest, while the following features will manifest in our operational activities:-

- (i) No alcoholic drinks will be served on board of any flight irrespective of cabin
- (ii) No smoking on board of all aircrafts
- (iii) No operation of flights on Sundays
- (iv) Our aircrafts will be designated by the name of World Renowned Clergymen viz: Oral Roberts, T. L. Osborne, Billy Graham, S. K. Abiara and Benson Idahosa.
- (v) Movies to be shown on our flights will be tagged "EVANGELISM ON AIR" whereby films relating to Nature; exposing the magnificent work of GOD in His creations and preaching of the words of God will replace the usual romantic, nerve breaking, destardly act and horror films played on most flight carriers.

Our operations shall take-off with (12) twelve aircrafts; six 747-400 and six (6) 727-200 flights with world-wide operations to America (NYC). Europe (ROM, LON) Asia (Bombay, Bangkok, Hong Kong, Taipei, Tokyo, Osaka, Mahe, Colombo, Singapore and Sydney with transversed network in Nigeria and Africa.

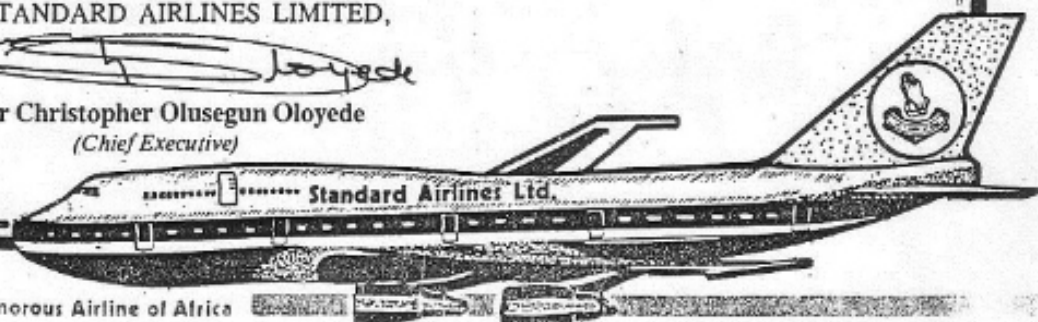

We are open for discussions and negotiations on any matter or subject that will be of mutual benefits, which will also enhance the GLORY OF GOD in the universe.

We remain,

Yours faithfully,

for: STANDARD AIRLINES LIMITED,

Elder Christopher Olusegun Oloyede
(Chief Executive)
